About HME

Founded in 1971, HME is a privately held, diverse group of companies. We design and manufacture products for a variety of niche markets including restaurants, sports and professional audio. HME companies sell, service and support products in 89 countries around the world, via offices in the U.S., Canada, Europe and China, and an extensive network of authorized distributors, dealers and service agents. Every day, quick service restaurants take over 24 million orders using our systems. And with the recent acquisition of Clear-Com, HME now offers the broadest selection of professional intercom systems worldwide. To learn more, visit www.hme.com.
